

NOTICE OF INVITATION TO TENDER BY ABSTRACT

Aeroporti di Puglia S.p.A, in order to operationalize and develop the national strategic infrastructure "Cryptaliae Spaceport", announces that the telematic open procedure is called, pursuant to Articles 60 and 122 of Legislative Decree. 50/2016, regarding the award of engineering and architecture services related to both the actualization of the interventions contained in the current Taranto-Grottaglie Airport Development Plan (in order to define and plan the works to be carried out as part of the "Cryptaliae Spaceport" project, designed to promote and develop in a sustainable way the suborbital commercial flight, the "New Space Economy" the "Advanced Air Mobility"), and the drafting of the Technical and Economic Feasibility Project of the necessary infrastructures (apron, hangar, buildings).

The estimated value of the contract for the Engineering Services (single lot, CUP B44G22000020001, CIG 9367498FE1) is € 1,627,151.07, net of social security and welfare charges, non-taxable VAT ex art. 9.6 of D.PR. n. 633/72, with no security charges (service of an intellectual nature).

The award will be made by application of the criterion of the most economically advantageous offer identified on the basis of the best value for money, pursuant to Article 95, paragraph 2, of Legislative Decree 50/2016.

The call for tenders, specifications and related annexes can be found on the website www.aeroportidipuglia.it, in the Tenders 2022 section, and on the EMPULIA telematics platform www.empulia.it

The telematic submission of bids must be made through the Empulia Portal, which can be reached at the previously mentioned link www.empulia.it, no later than 12:00 noon on 7/10/2022.

The Chairman of the Board of Directors
Dr. Antonio Maria Vasile
